REPORT OF TOWN CLERK

EXCERPTS FROM TOWN MEETING RECORDS

(March 6)

Voted to instruct the members of the school board of Carver to award all contracts for transportation of school pupils in said Town only after duly advertising the route for competitive bids and duly considering the same.

Voted unanimously that a committee of five be appointed to frame by-laws defining the powers and duties of the finance committee and report at a special town meeting if found necessary, and that the committee be appointed by the moderator.

Under the above order the moderator named:

J. Myrick Bump
Frank E. Barrows
Earl E. Boardway
Allen A. MacDonald
Henry S. Griffith

Voted to instruct the Town of Carver school committee to close the school at Carver Centre known as the special school at the close of the present school year and transfer the pupils therein back to their proper grades.

Voted to order town officers to advertise for bids for all supplies and equipment the cost of which exceeds fifty dollars, said advertisements to be posted on the bulletin boards at the town hall and the Postoffices in Carver.

Voted to discontinue the old Federal road so-called, from Tremont St. south to the Wareham line.

(Adjournment March 20)

Motion by the school committee William I. Ward and Ellis D. Atwood, duly seconded, that the town raise and ap-

propriate the sum of $33,575.00, the amount of money necessary for the support of public schools, as required by the laws of the Commonwealth of Massachusetts, for the current year of 1933.

Motion duly seconded that the motion be amended by striking out the five hundred dollars so the amount to be raised and appropriated read as follows: $33,075.00.

House divided on the amendment and the vote so overwhelmingly in the affirmative that the moderator decided the amendment accepted without counting the votes.

Motion duly seconded that the salaries of all town officers be the same as last year.

On a division the motion was accepted by a vote of 25 to 9.

Voted to reconsider the action taken at the meeting March 6, under Art. 18 of the warrant.

Voted that the Federal road from Tremont street to the old Benjamin Wrightington homestead, be discontinued.

Voted to appropriate the sum of $548.00 paid into the town treasury by the County Commissioners, for account of land damage on Plymouth and Centre streets.

The following report of the Planning Board committee named in the annual town meeting in 1932 was presented:
To the citizens of the Town of Carver:

Your Planning Board committee submits the following report:

We have made enquiries in every town in the County and while we learned that only a few of the towns have planning boards we did find that where the plan has been adopted it is reported to be of great value.

Your committee believes there is urgent need of some sort of regulation in the town of Carver relative to building unsightly and undesirable buildings along our highways.

At present there is nothing to prevent the locating and building roughly constructed shacks opposite to or along beside some of the more attractive residences. Such buildings on short notice may appear along Savery Avenue or some of the other beautiful drives in our town.

The committee believes that conditions can be corrected by the adoption of certain by-laws governing such matters. Such by-laws should be carefully prepared so that the duties and powers of regulation may be clearly understood as the final disposition may be of vital interest to all concerned.

In one town we were informed that the duties of the planning board were very easy, for when the persons were about some sort of cheap looking building and found they had to submit their plan to the planning board and get a permit, they gave up the idea or decided to erect a more attractive building.

Your committee recommend the preparation and adoption of such by-laws as will serve to safeguard the matter of building construction in the town of Carver, and such other matters as may be properly associated with the regulation of this sort of service.

Bernard E. Shaw
Arnold T. Telfer
Frank E. Barrows

(Special Town Meeting April 14)

Voted 118 to 39, that there be appropriated from funds in the treasury a sum of money not to exceed Three Thousand dollars for the purchase of a new road scraper, and to authorize the selectmen to turn in the old scraper as part payment.

Voted to compensate the school committee for services rendered and that funds for said purpose be taken from the school appropriation.

Voted unanimously to dissolve the present finance committee upon the adoption of the by-law as submitted by the by-law committee governing the finance committee, and that a new finance committee shall be appointed by the moderator within thirty days following the adoption of this by-law by the town, and the approval of the Attorney General as provided in Art. 8 of the town by-laws.

Voted to rescind the vote taken at the adjourned town meeting March 20 whereby the report of the planning board committee was referred to the by-law committee.

Voted unanimously that the report of the planning board committee be accepted, and that said report be referred to the said planning board committee for further consideration.

TOWN BY-LAWS

Article 1

The annual town meeting shall be held the first Monday in March except that the selectmen may, at their discretion, call it at a later date, in March or April.

Article 2

The town warrant shall be posted in the Town Hall and in each postoffice in town.

Article 4

The moderator shall be elected for one year, the name to appear on the official ballot.

Article 5

The powers and duties of the presiding officer not especially provided for by law shall be determined by rules of practice as contained in Cushings manual so far as they are adapted to the conditions and powers of the town.

Article 6

The selectmen shall be elected, one for one year, one for two years and one for three years, and annually thereafter one shall be elected for the term of three years.

Article 7

The yards of field drivers shall be town pounds provided the field drivers are chosen pound keepers.

Article 8

On or before the first day of April the moderator shall appoint a finance committee of five for one year, five for two years and five for three years, and annually thereafter on or before the first day of April the moderator shall appoint five for the term of three years.

Article 9

The overseers of poor shall be elected, one for one year, one for two years and one for three years, and annually thereafter one shall be elected for the term of three years.

Article 10

The articles to be acted upon at the annual town meeting in March shall be in the hands of the Board of selectmen on or before February first preceding, said meeting.

Article 11

Section 1 All qualified voters on the polling list of the town of Carver are eligible for appointment to the finance committee except that no town officer is eligible for membership on said committee, and no member of a special town committee shall have a vote as a member of the finance committee on any matter pertaining to the duties of that special committee.

Section 2 The finance committee at its first regular meeting shall by written ballot elect a chairman, vice-chairman and a secretary, who shall serve until the next annual town meeting

Section 3 Within ten days after the organization of the financé committee, the secretary shall notify the selectmen in writing of such organization.

Section 4 Any vacancy occurring on the finance committee shall be filled by the moderator within fifteen days of the notification in writing, of said vacancy by the chairman of the finance committee.

Section 5 The finance committee may appoint such sub-committees as it may deem advisable.

Section 6 It shall be the duty of the finance committee to consider all matters of business included within the articles of any warrant for a town meeting for the purpose of making reports of recommendations to the town.

Section 7 It shall be the duty of the selectmen to transmit a copy of any warrant for any regular or special town meeting as soon as said warrant is drawn, to the finance committee.

Section 8 The report of the finance committee to the annual town meeting shall be in print, but reports on all other town meetings shall be in such form as the finance committee shall deem advisable.

Section 9 On or before January 15 of each year the officers, Boards, or committees having charge of the expenditures of the town's money shall transmit to the finance committee, in writing, a detailed list of their expenditures for the year previous, together with their estimates of expenditures for the conduct of their department for the next municipal year.

Section 10 The Finance committee shall submit the estimates of the several departments and the appropriations it recommends to the town as contained in the articles of any warrant for a town meeting, together with such recommendations on other matters in said warrant as in its judgment should be brought to the attention of the town.

Section 11 The finance committee shall have authority at any time to investigate the town's accounts and management of any department, and the books, records and accounts of all departments of the town shall be open to the inspection of the finance committee, or any of its authorized sub-committees, or any person authorized to act for said committee.

Section 12 The members of the finance committee shall serve without pay for services but may be reimbursed for actual expenses incurred in the discharge of their duties.

Article 12

Twenty-five voters shall be necessary to constitute a quorum at town meetings; provided that a number less than a quorum may from time to time adjourn the same.

Fall Term: Opens September 10; closes December 14. January 1.
Holidays: February 22, April 19, May 30, October 12, November 11, November 29.

REPORT OF THE SCHOOL COMMITTEE

One change has taken place in the membership of the school committee during the year just closed. Mr. Ellis D. Atwood, who was elected in 1933 to complete an unexpired term, resigned a few months afterward in order to accept service in another branch of town management. The selectmen and the remaining members of the school committee, acting in accordance with legal provisions, chose Mr. Russell E. Shaw to fill the vacant position until the next town election.

Following acute and prolonged illness Mr. George P. Lincoln, after nearly seven years of faithful service as janitor of the North school house relinquished the duties of that position last February. The place is being satisfactorily filled by Mr. Henry M. Shaw.

Throughout the year the membership of the special school exceeded the minimum fixed by the law of the Commonwealth. For this reason the school committee could not conform to the vote of the Town calling for the closing of that school. The prospect that, during a period limited to the winter season, that membership would fall below the minimum has led to plans for using the special schoolbuilding and teacher to supplement the work of the regular grades in some important particulars.

WILLIAM I. WARD,
ELEANOR L. SHAW,
RUSSELL E. SHAW,

School Committee.

FINANCIAL REPORT OF THE SCHOOL COMMITTEE FOR THE YEAR ENDING DEC. 31, 1933

		$6,584.11

Total Expenditures	$33,419.70

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee of Carver:

Herewith is presented my eleventh report. The past year has shown a steady growth in our schools. The falling off in enrollment at the North made it possible to dispense with one teacher, thus enabling us to keep within our reduced budget. In this connection it is well to remember what our political leaders say.

Alfred E. Smith says: "Whatever may be the exigencies, whatever the reasons for drastic reductions in appropriations, one thing must not happen. There must be no curtailment of educational facilities. The school systems must be kept up to 100% efficiency. We can afford to lose time on construction of roads, bridges or buildings, and at a later time possibly catch up, but education must be continuous. Time lost in preparing our children to take their places in the world cannot be made up. There are only certain years in which the great majority can attend school, and during that period it is the solemn duty of every community to provide full and complete education."

W. S. Gifford, Director, The President's Organization of Unemployment Relief: "Let us everywhere be on guard against any retrenchment which pinches the young."

OUR TEACHERS

The past year all our teachers have shown a highly creditable spirit in their work, and a commendable effort at growth. Several have worked with Miss Alma Porter in developing a systematic course in Physical Education, and others have attended extension courses with marked profit. Our Union Teachers' Meetings have been very helpful, as was the County Convention and the Graduate Day at Bridgewater. The teachers of the upper grades have also attended the con-

ferences with the Middleboro teachers, thus coordinating more closely the work of our schools with theirs.

PHYSICAL EDUCATION

As this subject is compulsory under the present State law it is well for us to try to get a clear conception of the aims and purposes of this branch.

No one can deny that one great asset in life is good health. We try in our physical education work to secure the desired results through the use of various methods of exercise, such as gymnastic work, games, folk dances, free hand drills, organized play and marching. Each of these methods of exercise has a definite part in promoting vigorous stimulation of the organs and muscles of the body. The frequent and regular repetition of such exercise is bound to increase the efficiency of all the processes which make for health, vitality and organic vigor.

Another important item of Physical Education is the training of the subjective motor control which makes for attention, will-power and self discipline. Such control is shown in the ability to assume and maintain good posture, erect carriage, ease of bearing and economy of movement. It also leads to general agility, ability to manage one's body to the best advantage under all circumstances. Posture affects the circulation, respiration, digestion and elimination, the vital processes of the human body, and it is closely related to health and personality. We cannot secure good posture by merely saying, "Stand up straight." Pupils must be drilled in the rudiments of good posture and must endeavor to correct themselves and their school mates.

In addition to the foregoing, we seek through our Physical Education program to create proper ideals and habits of character, conduct and sportsmanship, developing the proper spirit toward victory and defeat.

TESTING PROGRAM

In May we have given the Stanford Achievement Tests to pupils above the fourth grade to aid the teachers in their recommendations of promotion.

This year in October we gave the Clapp-Young Tests in English and the Nelson Reading Tests. The results were carefully analyzed to find the points of weakness, and group instruction to assist the pupils in strengthening their weak points has been followed. Table One shows the results of the Language Test.

TABLE I

	Class Median	Test Median
Grade V	60	55
" VI	59	65
" VII	72	75
" VIII	81	80

TABLE II

		Vocabulary	Par. A.	B.	C.
Grade IV	Test Median				
	Class Median				
" V	T. M.	30	10	10	9
	C. M.	29	9	9	7
" VI	T. M.	38	12	12	10
	C. M.	35	13	12	10
" VII	T. M.	44	13	13	13
	C. M.	44	13	16	14
" VIII	T. M.	51	15	15	14
	C. M.	62	20	21	20

In the reading test it was found that in the schools where the State Reading Certificates had been awarded the pupils got the highest scores. This certainly demonstrates the value of the State Reading Courses.

Statistics for the School Year ending June 30, 1933

State Valuation of the town	2,922,080
Population 1930 Census	1,381
Number of teachers on full time	11
Pupils enrolled in grades	262
Pupils enrolled in High School	58
Average membership in town schools	255
Average attendance	236
Aggregate attendance	39,029
Average number of days schools were in session	163

THE SPECIAL CLASS

It has been repeatedly asserted that this class is a hobby of the Superintendent and the committee. To clear up the situation it may be well to cite the school laws. Section 46, Chapter 71, states: "The school committee of every town shall annually ascertain, under regulations prescribed by the Department and the Department of Mental Diseases, the number of children three years or more retarded in mental development. At the beginning of each school year the committee of every town where there are ten or more such children *shall* establish special classes for their instruction, under regulations prescribed by the Department."

The organization and conduct of the class has been carried out strictly in accordance with these legal requirements. This year arrangements have been made to discontinue the class as thus conducted just as soon as the number of children therein falls below the required number. Those remaining in town must be seated in the present class room, as they cannot be seated in their proper grades because of lack of seats.

Certain children who need special drill in reading and language from the fifth and sixth grades will be given such drill at the special class room, returning for other subjects to their regular classes. Efforts to have this arrangement

made permanent through authorization by the State Department have been made repeatedly, but to no avail. By the present arrangement we hope to bring those receiving the coaching up to such a standard that they may successfully undertake the work of the higher grade, and by relieving the teachers of the regular grades to increase the efficiency of those classes.

REPORT OF THE SCHOOL NURSE

Mr. Arthur B. Webber
Superintendent of Schools

Dear Sir:

I herewith present my annual report for the school year ending December 31, 1933.

School visits	167
Home visits	128

The pupils are weighed and measured three times during the year. I assisted the School Physician in the examination of 320 pupils.

Notices of defects were sent home as follows:

Tonsils and adenoids	75
Teeth	100

In May the Schick Test was given under the direction of Dr. Richard P. MacKnight, State District Officer and Dr. L. M. Chase, School Physician to the children that received the Toxin-anti-Toxin treatment.

Number of school children			154
"	" pre-school children		8
"	" immune		3
April, 1933	Retarded Clinic	Home Visits	10
		Personal Histories	10

Examination with Dr. Steinacke of Taunton StateHospital.

At the Clinic under the Ten Year Anti-Tubercular Program 12 children were examined.

Number of children re-examined		12
" " "	X-rayed	11
" " "	Improved	12

One child was sent to the Summer Health Camp at South Hanson for eight weeks and was very much improved.

Respectfully submitted,

MARY E. FULLER,

School Nurse.

In closing I wish to express my appreciation of the co-operation of the teachers and committee without which the year could not have been successful.

Respectfully submitted,

ARTHUR B. WEBBER.

REPORT OF FINANCE COMMITTEE
